NOT LIMITED TO PUBLIC MARKETS, PARKS, SCHOOLS, GOVERNMENT CENTERS AS
ONE OF THE PREVENTIVE MEASURES AGAINST THE POSSIBLE TRANSMISSION OF
COVID-19 IN THE LOCALITY.**

-introduced by City Councilor Mercedita C. Reyes-

Whereas, the promotion and furtherance of public health and safety is one of the basic guarantees enshrined and protected by the 1987 Constitution of the Philippines;

Whereas, coherent to Proclamation No. 922, President Rodrigo Roa Duterte, has declared a State of Public Health Emergency Throughout the Philippines and has in fact ordered all local government units to render full assistance and cooperation and to mobilize the necessary resources to undertake critical, urgent, and appropriate response and measures in a timely manner to efficiently curtail and eliminate the threat of COVID-19;

Whereas, time and again, political subdivisions are empowered to exercise such powers necessary for efficient and effective governance, which includes the promotion of general welfare, health and safety of constituents;

Whereas, the incidence of COVID-19 significantly threatens the safety and health of the general public and is currently posing peril to our communities;

Whereas, this appeal to the Local Chief Executive to advise concerned officials and employees to observe the thorough disinfection and sanitation of public buildings/ places in the locality such as but not limited to public markets, parks, schools, government centers as one of the preventive measures against the possible transmission of COVID-19 in the locality tends to install doable precautionary and preventive measures against the threat of COVID-19 in our community as well as to mitigate the impact of COVID-19 to the safety and health of the local constituency;

NOW THEREFORE on motion of Councilor Reyes and per recommendation of the present members of the Committee of the Whole, be it

RESOLVED as it is hereby being resolved to make the necessary representation to the Local Chief Executive to advise concerned officials and employees to observe the thorough disinfection and sanitation of public buildings/ places in the locality such as but not limited to public markets, parks, schools, government centers as one of the preventive measures against the possible transmission of COVID-19 in the locality
